

## GUIDELINES FOR POSTER PRESENTERS

*Poster Presenters should note the following guidelines:*

- Please click on the [Scientific Poster Program](http://www.asrs.org/meetings_and_events/annual_meeting/annual_meeting_2010/program.php) link on [http://www.asrs.org/meetings\\_and\\_events/annual\\_meeting/annual\\_meeting\\_2010/program.php](http://www.asrs.org/meetings_and_events/annual_meeting/annual_meeting_2010/program.php) to find out the poster **number** assigned to you.  
*(PDF-format; to find: PC users "Ctrl+F", Mac users "Apple+F")*
- Onsite, a **small sign with the number of the poster** will be located at each display space, confirming the correct location.
- The maximum size allowed for each scientific poster is:  
  
3½ Feet/~1 Meter (106.68cm) **high**  
by  
5½ Feet/~1½ Meter (167.64cm) **wide**  
  

Please note  
**Horizontal Orientation**  
Posters may be smaller but should not exceed past this size limit.
- All poster presenters are requested to put up their posters **starting at 3:00pm** on Saturday, and all posters should preferably be **in place by 7:00pm** on Saturday. **Posters will be up for the duration of the meeting.** Posters must be removed by 12:30pm on Wednesday, September 1. *All posters that have not been removed by 12:30pm will be discarded.*
- There will be a **1.5 hour "Poster Session with Wine & Cheese Reception" from 5:00-6:30pm**, immediately following the end of the General Session on **Monday, August 30**, at which the poster author is requested to be present for **Q&A**.
- Poster authors are reminded to disclose any **Financial Interest** and **Human Research** on their poster.
- Poster authors are encouraged to include a small portrait of themselves on their poster. (Preferably top-left or top-right.)
- It is encouraged that the display materials be mounted on heavy weight paper or boards so as not to damage the materials when the posters are being dismantled at the end of the meeting. *Pushpins will be provided.*
