Retina Congress 2009 New York
Meeting Program Book and ASRS Retina Times

Retina Congress 2009 offers an exceptional opportunity for your company to advertise not only in the extensive **Meeting Program Book**, but also in a special **Retina Congress 2009 issue of the Retina Times**. The *Retina Times* is a quarterly magazine provided to all ASRS members as a benefit of membership, and includes articles on a wide range of topics important to the retina specialist. **Both publications will be distributed to all attendees of Retina Congress 2009.**

Please note that you are required to provide the **same ad** for both publications, but that you need to follow Advertising Production Specifications, *specific* to each publication. (See below.)

MEETING PROGRAM BOOK ADVERTISING PRODUCTION SPECS

BINDING: Spiral bound.

DIGITAL FILE REQUIREMENTS

All advertising should be provided in a digital format. Both Mac (preferred) and PC are acceptable. Ads may be submitted as B&W or 4-color process. There is no additional charge for 4-color ads. A color proof must be supplied with all 4-color ads. A laser proof must be supplied with all B&W ads. Files must be submitted on CD or DVD. Ads are not accepted via e-mail.

File preparation: Acceptable formats are Acrobat PDF, Quark Xpress, Adobe PhotoShop, Adobe Illustrator. Only Type 1 screen and printer fonts (Postscript) should be used. TrueType fonts should not be used. Fonts must be embedded, supplied, or converted to outlines.

Images must be saved as TIFF or EPS files. Color images must be in CMYK mode. Black & white images should be bitmapped or grayscale. Files must be

scaled same size at 300 dpi. File format conversions required to conform to these standards will be billed back to advertiser on a time and materials basis.

Publisher is not responsible for incorrectly prepared digital files that cannot be corrected and resent within our production timetable. Contact Bill Daitchman at Typeset Offset, 831-688-8090 or bill@inkari.com, for Meeting Program Book file preparation instructions.

Color ads: When submitting a color ad, a SWOP-certified proof must be supplied for color matching. If a color proof is not provided, the publisher will instruct the printer to pull a press quality proof for on-press color guidance. The proof will be billed back to the advertiser. All ads must include a laser check proof.

In-house ad production: Typeset Offset, the graphic design firm for Retina Congress 2009 can produce ads for advertisers. All design charges will be billed back to advertiser. Contact Bill Daitchman at 831-688-8090 for ad preparation instructions.
