A business card or other acceptable form of identification listing your company (media outlet) and editorial job title must be sent with this application or presented to Registration Staff before you can be given media credentials. Freelance reporters must provide a letter of assignment or an article with your byline from an appropriate publication. For questions, please refer to the Media Registration Guidelines or contact Medical Conference Planners, Inc. at 914-722-0664 or retinacongress@medconfs.com.

Media are prohibited from attending social events and individual society business meetings.

I have read and agree to the Retina Congress 2009 Media Registration Guidelines.
