

## **Vitreoretinal Practice Management Issues Seminar – 2006**

**Saturday, April 1 & Sunday, April 2, 2006  
Conrad Miami – Miami, Florida**

This popular seminar is organized by the American Society of Retina Specialists for the benefit of administrators of vitreoretinal practices and those physicians acting as administrators to their own practices. This course will include an expanded 6 hours of retinal coding, CMS update, as well as information on staying on time in a busy practice, risk management issues, employee team management, medicare coverage appeals, and managed care contracts. A Saturday evening reception will allow participants to discuss and review subject matter presented earlier that day with the faculty.
