

Vitreoretinal Practice Management Issues Seminar – 2007

Saturday, March 31 & Sunday, April 1, 2007
Hilton Orange County/Costa Mesa – Costa Mesa, California

This popular seminar is organized by the American Society of Retina Specialists for the benefit of administrators of vitreoretinal practices and those physicians acting as administrators to their own practices. The course will include 6 hours of retinal coding, CMS update, how to manage account receivables, off label drugs, pay for performance update, conquering outpatient office flow problems, implementing clinical research dollars in the retina practice, development and ownership of ASC's, employee team building, and creating total compensation solutions for the non physician employees. A Saturday evening reception will allow participants to discuss and review subject matter presented earlier that day with the faculty.
