American Society of Retina Specialists
30th Annual Scientific Meeting
August 25-29, 2012 • Las Vegas, Nevada
Dear Corporate Sponsor:

ASRS is turning 30 and we’re celebrating! The ARIA Resort & Casino Las Vegas will host the ASRS 30th Annual Meeting from August 25-29, 2012 and will offer the most comprehensive and stimulating array of vitreoretinal information and technology ever assembled, combined with an outstanding social program in exciting Las Vegas.

This state-of-the-art meeting features scientific papers with Q&A sessions, scientific posters with lively author interaction, panel discussions on controversial issues and techniques, award lectures, a Retina Case Conference, the 14th Annual Film Festival, and instructional courses.

Other events include the Special Interest Groups lunch, the Young Physicians Section symposium, the Women in Retina symposium, an engaging social program, and much more. The scientific program will feature the latest clinical and technological developments, presented by international leaders.

The ASRS 30th Annual Meeting presents a unique opportunity for you to interact with the members of the world’s most prominent organization of retina specialists. The membership of the society includes over 2,450 physicians from more than 55 countries, and we expect an outstanding turnout for this year’s meeting.

The exhibition floor will be designed to maximize physician-representative interaction. As always, your representatives are invited to attend the scientific sessions and to participate in all planned social events.

The 30th Annual Meeting offers greater advertising opportunities than ever before. This is the first meeting in our history to offer the Scientific Program and Guide on an iPad app. In this prospectus, you will find information on digital advertising opportunities, as well as details on advertising in the special 30th anniversary commemorative issue of *Retina Times*.

Your support is vital to the success of our meeting. Our goal is for you to leave this meeting confident that you earned an outstanding return on your investment.

Mark your calendar for the ASRS 30th Annual Meeting. We look forward to seeing you in Las Vegas.

With best personal regards,

Philip J. Ferrone, MD
ASRS Corporate Relations Committee Chair

**Exhibitor-doctor interaction statement**

The ASRS seeks a mutually beneficial relationship with its partners. Our members benefit from the increased size and scope of a meeting made possible by support from commercial interests. The opportunity for physicians to meet corporate representatives and to learn about their products and services is an important component of the meeting.

Likewise, we recognize that our open meeting policy offers an opportunity for our partners to remain abreast of the latest developments in our field. Our meeting will offer an unsurpassed opportunity for one-on-one contacts.

We invite your company to partner with us to reach the retinal physician consumer with greater efficiency than ever before. We recognize that the proliferation of scientific meetings creates ever-increasing demands upon fixed corporate resources. ASRS is committed to working with your company to help maximize return on the money spent in support of our meeting.
