Surgical Summit

Wednesday, July 30,
7:45 AM

*This session will only
be accessible for live
meeting attendees.

Don't miss this battle of the continents.

Featuring renowned surgeons from Europe, Asia and the Americas weighing in on surgical techniques and technologies used across the globe with emphasis on innovation and instrumentation.

This event will be followed by The Retina Battle moderated by Kourous Rezaei, MD. Be sure to catch this high-octane expert panel debate!
