

durability control in nAMD

July 15, 2026 | 12:15–13:30 EDT | Room 511F

Attend the AbbVie- and REGENXBIO-sponsored symposium to explore unmet needs, current treatment strategies, and future opportunities in nAMD. Expert faculty will discuss the limitations in current treatment landscape, retinal fluid fluctuations, and the evolving definition of durability in clinical practice.

Dr Christina Weng (Chair)

Dr Durga Borkar

Dr Shaheer Aboobaker
