**Retina Specialists**

**Adi Smith MD, FASRS**

Dr. Adi Smith is the founder of South Florida Retina Institute in Aventura, FL. He received his undergraduate degree from the Massachusetts Institute of Technology where he majored in Mechanical Engineering then worked for four years at Johnson & Johnson's Cordis Corporation, designing and helping to manufacture the first-ever drug-eluting cardiac stent. He received his M.D. degree from the University of Miami Miller School of Medicine. Dr. Smith completed his ophthalmology residency at the Wills Eye Hospital and then completed a surgical retina fellowship at the Cole Eye Institute at the Cleveland Clinic in Ohio in 2015. He worked at a multispecialty group for three years before starting his own practice in Aventura, Florida in 2018.
