## **Bill James**

Bill James is the Chief Financial Officer at Talley Eye Institute in Evansville, Indiana. Bill has more than 25 years of experience in physician practice management across several specialties, including eleven years in ophthalmology. Practices he has managed have been recognized by MGMA as Better Performers in profitability, cost management, and patient satisfaction. His areas of focus include process improvement, data extraction for better analysis, and leveraging technology to create enhanced efficiencies. Bill has an MHA degree from the University of Kentucky, and is a member of ASRS and ASOA.
