## **Christine McCutcheon**

Ms. Christine McCutcheon earned her Bachelor of Science degree in Human Resources Development from Texas A&M University. After working for a few years, Christine's hunger for continuing education drove her to earn her MBA and HRM degrees while working fulltime in the medical field.

Christine joined Retina Consultants of Texas as the Director of Human Resources in August of 2021. She is passionate about the people business and working for a world-renowned Retina practice whose daily mission is to Preserve Vision.
