

## **ASRS 24<sup>th</sup> Business of Retina Meeting Exhibitor List**

March 17-19, 2023

The Las Colinas Resort Dallas, by Ritz-Carlton

### **AllyRetina**

[www.AllyGPO.com](http://www.AllyGPO.com)

Email: [info@allygpo.com](mailto:info@allygpo.com)

AllyRetina is a new GPO uniting forward-thinking retina practices to champion community-based care and give you a competitive edge.

What sets us apart?

- Physicians lead the way – retina specialists drive our strategy
- Unwavering, laser-focus on retina community practices
- Transparency in how we do business
- Ongoing investment where others have cut back, including our contemporary technology suite
- Our seasoned management team of industry experts
- Our exclusively-specialty distribution partner – BioCareSD – who has been serving specialty physicians for 40 years

Learn more about how AllyRetina advances your goals. [www.AllyGPO.com](http://www.AllyGPO.com) or [info@allygpo.com](mailto:info@allygpo.com)

### **AmerisourceBergen**

<https://www.amerisourcebergen.com/>

Contact: Lisa Dahlstrom

Email: [lisa.dahlstrom@amerisourcebergen.com](mailto:lisa.dahlstrom@amerisourcebergen.com)

AmerisourceBergen (AB) empowers physician practices to deliver quality patient care today and prepare for the challenges of tomorrow. Through our AB Specialty GPO Networks and Besse Medical specialty distribution networks, along with our portfolio of integrated solutions and services, we are a unified team of specialty practice partners, committed to building on our legacy of best-in-class service with meaningful innovation that supports our customers as they improve communities through patient-centric care.

### **Amgen**

[www.amgen.com](http://www.amgen.com)

One Amgen Center Drive

Thousand Oaks, CA 91320-1799

+1 805-447-1000

Amgen is committed to unlocking the potential of biology for patients suffering from serious illnesses by discovering, developing, manufacturing and delivering innovative human therapeutics. A biotechnology pioneer since 1980, Amgen has grown to be one of the world's leading independent biotechnology companies and has reached millions of patients globally.

**Apellis Pharmaceuticals**

<https://apellis.com/>

Email: [info@apellis.com](mailto:info@apellis.com)

Apellis is a global biopharmaceutical company that leverages courageous science and creativity. We are committed to addressing the unmet needs of patients and eye care professionals worldwide.

**ArbiMed Inc.**

<https://www.arbimed.com/>

Email: [kyle@arbimed.com](mailto:kyle@arbimed.com)

ArbiMed is an Inventory Management Software with dedicated modules designed for Retina Specialists. These modules allow you to track your injectables from the time you order them till you are paid in full. We have been working with Retina practices nationwide for 6 years and have the tools, alerts, and reports to make sure the injection portion of your business is given the attention it deserves. Because we are an independent software company, we also give you the autonomy to negotiate your medication purchasing without the strings of an inventory management system.

**Brevium**

[www.brevium.com](http://www.brevium.com)

Email: [info@brevium.com](mailto:info@brevium.com)

801-854-5400

The typical retina practice has 1000's of lost/overdue patients. Often these are diabetics, and AMD patients who are missing despite a practice's best efforts sending reminders and recalls. Retina practices turn to Brevium for help bubbling up, and communicating with these patients. Our process is guaranteed that you'll get more of these patients back in the clinic. Visit Brevium during ASRS to talk about your situation.

**Cardinal Health**

[www.cardinalhealth.com/retina](http://www.cardinalhealth.com/retina)

Email: [specialtysolutions@cardinalhealth.com](mailto:specialtysolutions@cardinalhealth.com)

Cardinal Health is a distributor of pharmaceuticals, a global manufacturer and distributor of medical and laboratory products, and a provider of performance and data solutions for healthcare facilities. We deliver products and solutions to improve the lives of people every day, serving nearly 90% of U.S. hospitals, more than 60,000 U.S. pharmacies, and more than 10,000 specialty physician offices and clinics.

**Coherus BioSciences, Inc.**

[www.cimerli.com](http://www.cimerli.com)

800.794.5434

Founded in 2010 by US biotech industry pioneers, Coherus BioSciences is a biopharmaceutical company focused on delivering both high-quality biosimilars and novel products targeting solutions across multiple therapeutic areas including ophthalmology and immuno-oncology.

We are committed to expanding patient access to important, high-quality, cost-effective medicines, while delivering savings to the healthcare system. In 2022, the U.S. Food and Drug Administration

approved Coherus' biosimilar CIMERLI® (ranibizumab-eqrn), making it the first and only interchangeable biosimilar to Lucentis® (ranibizumab injection) for all indications.

Our innovative R&D, quality manufacturing processes, and vast experience in biosimilar commercialization allows us to ignite change and impact lives. For additional information, please visit [www.coherus.com](http://www.coherus.com)

#### **CuraScript SD**

<https://curascriptsd.com/>

Email: [Customer.Service@curascript.com](mailto:Customer.Service@curascript.com)

Reshmin Jahan: Executive Assistant - (347) 296-6712 [reshmin.jahan@lumatahealth.com](mailto:reshmin.jahan@lumatahealth.com)

Lumata Health is a technology-driven healthcare startup company focused on preventing blindness from chronic eye conditions, managing thousands of people at risk of vision loss across the United States. Founded in 2017 by an ophthalmologist and retina specialist in practice for over 30 years, Stephen R. Fransen, MD, and supported by more than 30 industry luminaries and influencers on its Advisory Board, Lumata Health aims to stop preventable blindness with a human-led, intelligent care coordination and management platform that's almost always free to the patient. The company partners with physicians,

payers, and health systems to offer turnkey care management services provided by eye care experts who are supported by cutting-edge technology and data science. Lumata Health's programs improve clinical outcomes, patient satisfaction, and clinic staff efficiency by providing between-visit patient assistance and care coordination for patients with chronic eye diseases such as diabetic retinopathy, macular degeneration, glaucoma, and dry eye.

#### **MarsdenAdvisors**

<https://www.marsdenadvisors.com>

Contact: Courtney Schimborski - 646-363-6170

Email: [Courtney@MarsdenAdvisors.com](mailto:Courtney@MarsdenAdvisors.com)

#### **McKesson**

**Website:** [Retina Practice & Care Provider Solutions | McKesson](#)

Email: [specialtyprovider@mckesson.com](mailto:specialtyprovider@mckesson.com)

McKesson helps specialty providers run profitable, independent businesses by clearing the path so they can focus on patient care. Our Onmark® Group Purchasing Organization helps providers maximize their purchasing power, while our support services go above and beyond the essentials of pharmaceutical distribution. Our broad portfolio of solutions makes practice management more manageable by increasing efficiency, productivity, and profitability for specialty providers. We take a collaborative "all-in" approach to understanding each practice's unique needs which informs the business insights, strategies, and resources we offer, including regulatory guidance and advocacy. We invite you to **discover** and **explore** the McKesson difference.

#### **Nextech**

[www.nextech.com](http://www.nextech.com)

Phone: (813) 425-9200

Company description: Nextech's Ophthalmology-specific EHR improves patient care, simplifies compliance, and comes fully integrated with an intuitive, user-friendly Practice Management solution. Experience the freedom of adaptable templates and intuitive workflows that streamline operations, improve performance, and take the grunt work out of compliance. Visit [www.nextech.com](http://www.nextech.com) to learn more.

#### **Pine Pharmaceuticals**

<https://pinepharmaceuticals.com/>

Contact: Diana Mulholland, Director of Business Development

Email: [diana.m@pinepharmaceuticals.com](mailto:diana.m@pinepharmaceuticals.com)

Pine Pharmaceuticals is a privately-owned 503B outsourcing facility specializing in compounded and repackaged preparations. As a best-in-class partner, Pine Pharmaceuticals is committed to meeting the FDA's stringent cGMP requirements while supporting vision specialists, ASCs, and hospitals in delivering the best possible care to their patients.

**PX Technology**

<https://www.pxtechnology.com/>

Phone: 888-270-4882

Email: [info@pxtechnology.com](mailto:info@pxtechnology.com)

PX Technology integrates with medical practice EHR/PM systems to provide technology solutions that helps streamline back office processes like copay enrollments and prior authorizations. Our goal is to help practices become more efficient and eliminate reliance on paper forms and endless payor phone calls.

**Regeneron Pharmaceuticals, Inc.**

<https://www.regeneron.com/>

Phone: 914-847-7000

777 Old Saw Mill River Road

Tarrytown, NY 10591

Regeneron is a leading biotechnology company that invents life-transforming medicines for serious diseases. Founded and led for over 30 years by physician-scientists, our unique ability to repeatedly translate science into medicine has led to numerous FDA-approved treatments and product candidates in development. Visit [www.Regeneron.com](http://www.Regeneron.com) to learn more.

**SamaCare**

[www.SamaCare.com](http://www.SamaCare.com)

Contact: Chris Nicholas - 713-598-2654

Email: [chris.nicholas@samacare.com](mailto:chris.nicholas@samacare.com)

Cloud based prior authorization platform for buy and bill drugs at no cost.

**USRetina**

<https://www.usretina.com/>

Contacts:

Jamie Weathers - 615-995-6830

Noelle Swayne 906-322-0528

The USRetina network is built to support retina practices of all sizes with innovative technology, valuable services and preferred drug contracts to make sure retina physicians can focus on what matters most.
