Retina: New Advances and Old Challenges...How to Enhance your Daily Practice.  
Friday, May 31, 2013 • Babcock Auditorium, Wake Forest Baptist Medical Center, Winston-Salem, North Carolina

This is a one-day conference that will educate eye care providers with the latest updates in the diagnosis and management of a variety of retinal conditions such as macular degeneration and diabetic retinopathy. The course highlights the current and significant technologic advances of retina care through lectures, audience participation and expert panel discussions.

Objectives

- At the conclusion of this CME activity, the attendee should be better able to:
1. Discuss the pathophysiology and clinical course of Age-related macular degeneration.
  2. Recognize and treat retinal edema from diabetes complications
  3. Identify current and future trends in the management of Retinopathy of Prematurity.
  4. Describe the newest approaches to Vitreoretinal surgery and artificial vision.

Accreditation

Wake Forest School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation

Wake Forest School of Medicine designates this live activity for a maximum of 6.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Registration

Registration fee for the course is \$150. This fee includes lunch and parking. Make check payable to Wake Forest University Health Sciences.

Cancellation Policy

Cancellations received in writing by April 13 will receive a full refund minus a \$25 administrative charge. Cancellations made after this date will not receive a refund.
