American Society of
Retina Specialists

Leonard Ginsburg, MD

Dr. Leonard Ginsburg received his BA and MD from the University of Pennsylvania. He completed vitreoretinal fellowship training at the Massachusetts Eye and Ear Infirmary and Joslin Diabetes Center. He currently is the CEO of Moore Eye Institute and Chairman of the PCOM Ophthalmology Residency Program.

He was a certified diabetes educator for 25 years and has served as the director of two multi-specialty hospital diabetes centers. He was the ASRS/Vitreous Society representative to the AMA and served as the vice-chairman of all ophthalmology groups at the American Medical Association Ophthalmology Section Council from 1998 - 2006.

He is Medical Director of DHRpro, a patient care and Business Intelligence SAAS that integrates with any ophthalmology EMR. Procedures, injections, J codes, diagnostic tests clinical findings and payments are all displayed on a single display to help physicians improve care, reduce medical errors, and adhere to compliance standards.
