**Retina Specialists**

## **Linda Harrison, PhD**

Dr. Harrison is the Vice President of Risk Management at OMIC. Prior to joining OMIC in 2017, she spent nearly 21 years in claims management at the NORCAL Group, now part of ProAssurance. She has lectured nationally on risk management in ophthalmology and physician litigation stress syndrome. Dr. Harrison holds an AB from Smith College, an MA in Human Development from Harvard University, and a PhD in Organizational Psychology from the California School of Professional Psychology.
