

Joy Woodke, COE, OCS, OCSR

Ms. Joy Woodke is the Director of Coding and Reimbursement for the American Academy of Ophthalmology. She has over 30 years of experience in ophthalmology, which includes practice management, accounting and ophthalmic coding and reimbursement. She is a Certified Ophthalmic Executive (COE) and has earned a Bachelor of Arts degree in Healthcare Administration. She enjoys providing an administrator's perspective to coding and reimbursement, along with the unique aspects of a retina practice.
