Retina Specialists

Nikisha Kothari, MD

Dr. Nikisha Kothari is a vitreoretinal surgeon at Texas Retina Associates in Dallas, TX. She joined the practice after completing her fellowship at Jules Stein Eye Institute at UCLA and her residency at Bascom Palmer Eye Institute at University of Miami. She has a robust clinical practice in medical and surgical retina and stays involved in numerous clinical trials. She stays engaged with the retina community through involvement in meetings, including membership on the executive board of the Vit Buckle Society.
