

**Vivian Kim, MD, MPH, FASRS**

As an eye retina care specialist and surgeon, Vivian Kim, MD, MPH, FASRS, has devoted over 25 years to providing exceptional eye medical and surgical treatments for retinal conditions in Central California.

She is the Founder and CEO of a solo retina practice since 2015. In 2022 she transitioned the practice to a concierge model in eye retina care. Dr. Kim offers her patients an approach to healthcare that blends traditional ophthalmology with a focus on retina and overall wellness delivered in a setting of reduced waiting times, patient education, and more personalized attention.

Apart from her medical accomplishments, Dr. Kim is an accomplished concert pianist, ballroom dancer, and photographer passionate about lifelong learning and sharing insights and knowledge on a wide range of topics that can benefit her patients.
